

K-Love is part of my life and many others who enjoy the inspiration of understanding our mission here on earth. It projects positive energy and guidance in my daily life. We are here for many reasons but the first priority is to LOVE one another, help one another, and care for one another. K-Love helps everyone who is in need of prayer. In my personal opinion I feel that you and the world needs daily prayer to over come all this confusion of distruction of one another. I have faith that you will make the right choice by not removing K-Love from many peoples lives. Thank you for your time and may GOD bless you forever.
